## WELCOME!

Kingsway Home Health Services, Inc. is a home health agency dedicated to providing quality care to individuals who need personal care that promotes independent living at home.

Our agency provides nurses, medical professionals in specified fields, home health aides and home care aides to help individuals feel independent in their homes.

Private duty nursing services are provided by licensed professionals and home health aides under direct supervision of a Registered Nurse or Advanced Practice Nurse. Care is provided in accordance with a Plan of Care approved by a physician.

Kingsway Home Health Services, Inc. offers health care professionals who meet the needs of all clients, including those who may be English speaking and non-English speaking.

Because we care, "**expect the exceptional.**"

## WHO WE ARE

Kingsway Home Health Services, Inc. is a privately owned and operated company that provides clients throughout Cook and DuPage Counties with quality home care.

Our agency came into existence when we realized that home care was missing something special. We know, understand and care about your loved ones as much as we do about our own.

We expect our staff to treat you and your family members with the utmost respect and to provide exceptional care.
